#### MEET THE PROFESSIONALS AT GATEWAY PEKIN

##### Brandon Underwood, LCPC Clinical Supervisor

Joining Gateway Foundation in 2017, Brandon has been working in the field of substance use disorder treatment since 2004, and he has made addictions counseling his passionate career. Having supervised clinical staff at previous agencies since 2009, he has always continued to provide a variety of direct counseling services to clients as well. His previous experience includes providing group and individual therapy as well as DUI services, and he has worked with several multidisciplinary teams, such as Champaign County Drug Court.

Brandon leads a team of professional and qualified substance use disorder counselors at Gateway Pekin. "In my experience, clients receive the best care when the counselors excel in providing both empathy and accountability. I'm proud to say I belong to a team that provides both of those traits to our clients," says Brandon.

Brandon obtained his Bachelor's Degree in Psychology and his Master's Degree in Clinical-Counseling Psychology, both from Illinois State University. He has been a Licensed Clinical Professional Counselor since 2008.
