MEET THE PROFESSIONALS AT GATEWAY SPRINGFIELD

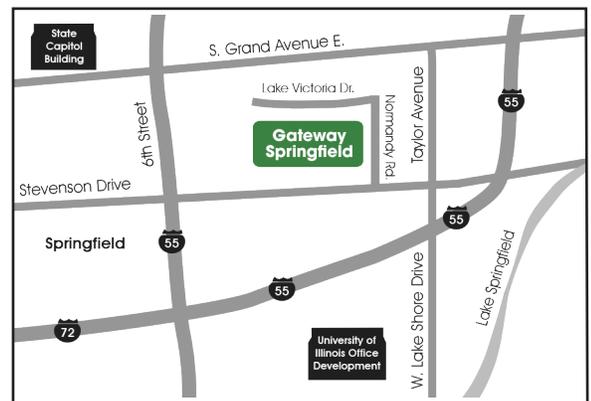

Winston M. Henry, CADC, MISA Clinical Supervisor, Springfield Outpatient

Winston has been involved in the field of substance use disorder treatment since 1992. Joining Gateway Foundation in 1994, he has spent over 24 years assisting youth and adults in bettering their lives through recovery. Winston became a supervisor in 1996, yet his passion for helping others has driven him to continue to provide direct counseling services to our clients. His experience includes, but is not limited to, providing group and individual therapy for the community and prison populations in both residential and outpatient treatment settings. He has served on community-based, multi-disciplinary teams including, Sangamon County Drug Court and various juvenile at-risk programs.

Winston currently leads a team of professional, dedicated, and caring substance use disorder counselors at Gateway Foundation Springfield. He understands the core of addiction and displays integrity and compassion in his interactions with clients and staff.

Winston obtained his Bachelor's Degree in Psychology from Benedictine University; he is also CADC and MISA certified.

(CONTINUED)

**Mercedes Kent, LCSW, CADC
Counselor III, Springfield Outpatient**

Mercedes has been with Gateway Foundation since 2008, working in inpatient and outpatient settings with adult and youth populations. Since that time she has brought her education and passion to the field of substance use disorder treatment, helping individuals in their journey of recovery. She specializes in serving patients who experience co-occurring disorders, to address how those disorders impact overall functioning and substance use issues. In addition, Mercedes also has experience in related fields as well, working with chronically mentally ill patients and pain management therapy. Mercedes is versed in group and individual therapy and works with several multi-disciplinary teams to provide a “whole-person” approach to recovery.

Mercedes obtained her Bachelor’s Degree in Social Work from the University of Illinois – Springfield. She then pursued and received her Master’s Degree in Social Work, specializing in Mental Health, from the University of Illinois at Urbana-Champaign. She is a Licensed Clinical Social Worker as well as being CADC certified.

**Magdalena Herdecka, MA, CADC
Counselor II, Springfield Outpatient**

Maggie has been with Gateway Foundation since 2015 but has worked in the field of substance use disorders for 17 years. Since 1999, she has worked in various capacities ranging from outreach, harm reduction, recovery coach and as a trainer to her peers in the field. Maggie has experience with group and individual counseling in outpatient and residential settings. She prides herself on striving every day to bring hope to individuals who struggle with addiction and is very humbled by being a part of their journey to reach their full potential in recovery. Her passion is to serve others and is very grateful for her own personal and professional experiences as they have shaped her belief that there is always a solution to any challenge.

Maggie obtained her Master’s Degree in Social Work from Jagellonian University in Krakow, Poland and is also CADC certified.
